The Charles J. Turk Presidential Honor Scholarship is awarded to a limited number of international students who demonstrate special potential to excel academically at Macalester. In the 1940s and 1950s President Charles J. Turk emphasized the College’s internationalism by recruiting international students, creating overseas study opportunities, and hiring faculty from diverse backgrounds. As a symbol of commitment to international harmony, he raised the United Nations flag on campus in 1950, and it has flown every day since then, just below the United States flag. Under his leadership, the College also broadened its base of community service and intensified its continuing interest in civic and national affairs. See the policies applicable to this scholarship.

The College of trustees will set 2020-2021 prices in early 2020. The estimates shown below are subject to change. Final prices will be posted at www.macalester.edu/financialaid/tuition as soon as they are available.
